رؤية VISION

Reimagining a Nation.
Rebuilding the Future.

The Big Idea

— Syria is not rebuilding what was lost
It is designing what has never existed.

A new economic model

A new regional role

A new global identity

Strategic Moment

Post-conflict transformation window
Global shift to digital economies
Regional competition for capital
Untapped human capital

Opportunity: Leapfrog development, not gradual recovery

Our Vision

To position Syria as a regional hub for digital economy, innovation, and strategic investment by 2035

Our Mission

To activate a national transformation platform that integrates:

Economy • Technology • Talent • Global Partnerships

Digital Transformation

National digital infrastructure
Smart government
AI-driven economy
Data as a national asset

Closing...

Nations are not rebuilt by infrastructure alone

They are rebuilt by vision.
Syria Vision 2035 is that vision.
